NEW PUSH-TO-TALK

A WALKIE-TALKIE SYSTEM THROUGH YOUR MOBILE

- > All of the advantages of a two-way radio system – but delivered through existing mobile phone handsets
- > Instant communication at the touch of a button on a one-to-one basis or as a group broadcast
- > Only one device to carry – simpler and easier, also allows you to manage equipment costs better
- > Brings walkie-talkie communication into the modern age

NEW VEHICLE INSTALLATION, RADIO MAINTENANCE AND REPAIR CENTRE

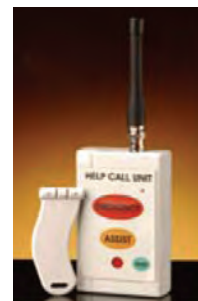

As part of our on-going expansion programme, we have acquired a dedicated radio repair and maintenance workshop in Birmingham. This will help us provide better, faster servicing and repairs.

For the quickest possible turn-around, please send all radios directly to:
